

40% off NEW Client Reiki & Sound Healing Session

at Moonstone Healing Studio

This session is deeply transformational.

Clearing, purifying, transmuting and transforming energy within the body, and auric field into alignment and balance.

Opening any blocked channels, meridians or "outlets" so energy has space and freedom to flow and move in and out of your whole being. Utilizing crystal healing during this session for harnessing the vibrational and energetic properties of natural crystals placed in your biofield (Aura or Electromagnetic field). Vibrational sound therapy such as solfeggio and binaural beats, tuning forks, crystal bowls, and rattles are used to balance the energy field and stimulate healing.

Meditation along with breathing techniques to journey into the chakras (energy centers throughout the spine/body) to free the spirit and ground the physical body, as well as remove and illuminate any stuck or trapped energy, limiting beliefs, and trauma within. A full Chakra Reading and Entity/ Distortion/ Lower Vibrational Energy Cleanse & Release Ceremony is done for each session.
